| DEL, 2-NEWCA, 25- | JAMES Booth House (Residence and Office) 216 DELAWARE ST | |
| REPRESENTED IN NEGATIVE FILE | H.A.B.S. SURVEY NO. | Built: Orig. N. W. portion about 1730 Brick front at close of 18th C. Description: Various changes and additions during 19th C. including heavy stucco which conceals arch. features such as string or bass courses if existing. Office is frame and while disused as such is interesting as having a segmented arched ceiling. Staircase is simple primitive and rather heavy but appealing Ref: New Castle Survey Map of 1804; Scharf Hist. of Del. Conrad's Hist. of Del. Off- HISTORIC AMERICAN BUILDINGS SURVEY |
